

71ST STREET SIDEWALK FROM STEINMEIER DRIVE TO GRAHAM ROAD

RebuildIndy is Mayor Greg Ballard's initiative to transform the city through investment in infrastructure improvements to restore deteriorating thoroughfares, residential streets, sidewalks and bridges, as well as address neighborhood drainage and flooding issues and demolish unsalvageable abandoned homes that pose a public safety threat to neighborhoods.

These construction projects will create local jobs and ultimately increase public safety for neighborhoods and residents, which supports Mayor Ballard's commitment to make Indianapolis a more livable city.

PROJECT SCOPE

The Department of Public Works (DPW) has an infrastructure improvement project planned for the northeast side of Indianapolis. The 71st Street sidewalk project will include the construction of a 6' asphalt sidewalk along 71st Street from Steinmeier Drive to Graham Road. Planned improvements include construction of new sidewalks, crosswalks, ramps, new pedestrian signal and added curb. Project improvements will increase pedestrian
